Morgan Equitable Artist Fund

The Morgan Equitable Artist Fund, provides 75% scholarships to expand creative programming for underrepresented artists, further encourage paper and book arts locally, and reflect the diversity of our community.

Apply for a Morgan Equitable Artist Fund scholarship on our website: **www.morganconservatory.org/equitable-artist-fund**

Intro Workshops & Open Studio

Intro Level Workshops are a great way to start or continue your learning journey at the **Morgan Conservatory**. Designed specifically for those who are new to the fields of hand papermaking, letterpress printing, and the art of the book, these workshops focus on building knowledge and introductory skills within the Morgan's studio areas. Although very few of our workshops require prior experience, we know it can be helpful to dip your toes into the (pulpy) water before deep diving into more advanced techniques.

Completing an **Intro Level Workshop** can also help prepare participants for **Open Studio**, which offers an opportunity to build upon the skills learned in workshops, practice at your own pace, and further your artistic practice within the Morgan's creative community. To learn more and schedule time, visit **www.morganconservatory.org/open-studio**

Our Mission & Vision

The Morgan Art of Papermaking Conservatory and Educational Foundation is dedicated to preserving and advancing excellence in every facet of hand papermaking, letterpress printing, and book arts for all.

The Morgan Conservatory will serve the greater community locally, regionally, nationally and internationally with sustainable practices in an artistically supportive and equitable environment. Those who learn and make at the Morgan will develop greater appreciation for the hand-crafted, self-expression, and the importance of teaching and sharing with the next generation through paper, print, and book. Artworks created and displayed at the Morgan will contribute to elevating the fields of hand papermaking, letterpress printing, and book arts, gaining recognition for their versatility, beauty, and innovation.
